Re: 4-O Ranch Phase 1 Fencing Project
Log No.: 060313-03-WDFW

Dear Ms. Skye:

Thank you for contacting our department pursuant to Executive Order 05-05. We have reviewed the professional archaeological survey report you provided for the proposed 4-O Ranch Phase 1 Fencing Project, Asotin County, Washington.

We concur the proposed project will have no effect upon cultural resources. Please make sure there is an Inadvertent Discovery Plan.

We would appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive.

In the event that archaeological or historic materials are discovered during project activities, work in the immediate vicinity must stop, the area secured, and the concerned tribe's cultural staff and cultural committee and this department notified

These comments are based on the information available at the time of this review and on behalf of the State Historic Preservation Officer in compliance with Executive Order 05-05. Should additional information become available, our assessment may be revised, including information regarding historic properties that have not yet been identified. Thank you for the opportunity to comment and a copy of these comments should be included in subsequent environmental documents.

Sincerely,

Robert G. Whitlam, Ph.D.
State Archaeologist
